KAMA 2026 Scientific Convention

Intercontinental Boston
October 16 – 18, 2026

Join us at the 2026 Annual Scientific Convention of the Korean American Medical Association (KAMA)—a premier national gathering of physicians, healthcare leaders, policymakers, and innovators committed to advancing medicine and strengthening our communities.

The 2026 convention will bring together leading experts from across the United States and Korea to explore timely issues in clinical medicine, public health, mental health, health policy, global health, and health equity. Through high-impact plenary sessions, expert panels, and meaningful dialogue, KAMA continues to serve as a vital platform for knowledge exchange, leadership development, and community-driven healthcare solutions.

As a sponsor, your organization will be a strategic partner in advancing education, collaboration, and innovation within a highly engaged and influential medical audience. Your support will not only enhance the quality and reach of the convention, but also position your brand alongside trusted leaders and institutions shaping the future of healthcare.

Sponsorship of the 2026 KAMA Scientific Convention offers:

- Direct engagement with physicians, healthcare executives, and policy leaders
- Thought-leadership visibility across scientific, clinical, and policy discussions
- Meaningful brand alignment with community impact, innovation, and service
- A unique opportunity to contribute to the advancement of healthcare for diverse populations

Together, we can help shape the future of medicine and medical leadership.

We invite you to explore the 2026 sponsorship opportunities and join us as a valued partner in this important work.
